

## **Educational Opportunities with Licensed Parelli Professionals**

The foundation curriculum of the Parelli Levels Pathway is presented in our Levels 1 – 4 Packs and intended to empower you to manage your own learning journey. Depending on your learning style and confidence level, you may want more hands-on support to guide your study. Our international network of Licensed Parelli Professionals offers a wide variety of opportunities to get the support you need to achieve your horsemanship goals:

### **Private and Group Lessons:**

- Small group or individual coaching, personally tailored to the needs and requests of the students involved.
- Typically one to three hours, depending on the needs of the student(s).
- Ideal for getting coaching specific to the topics you are most interested in.

### **Workshops:**

- Typically a half or full day, usually with a larger number of students than group lessons,
- Workshops usually have a pre-determined focus, classified by Savvy (On Line, Liberty, FreeStyle, or Finesse) or a particular subject matter.
- Ideal for getting instruction on a specific subject in a group situation.

### **Clinics and Camps:**

- Two to five days, group size determined by star-rating and preference of the instructing Parelli Professional.
- Typically structured by Level, coinciding with the Levels packs.
- Ideal for in-depth, extended study of a wider variety of subjects appropriate to a certain Level of the Parelli program.

### **Auditing:**

- Permitted at most camps, clinics, workshops and lessons depending on the star-rating and preference of the instructing Parelli Professional.
- Excellent opportunity to learn new information, exercises and games to help your horsemanship with minimal cost and commitment.

### **Phone and Video Coaching**

- Offered in a wide variety of formats from long-term, regularly-scheduled coaching to one-time connections to resolve a specific issue.
- Parelli Professionals offer this service in the way that best suits them and their students.
- Ideal for one-on-one help tailored to your needs, without the expense or inconvenience of travel.

This is a very general overview of the multitude of learning opportunities offered by our Professionals. Please utilize the Parelli Professionals and Clinic listings on [parelli.com](http://parelli.com) to find more details on what is available in your area.
