Free Ambassador training (\$2000 value). The Ambassador Program is an integral element of Pat Parelli's vision for the future of his program. It is important to Pat that he do everything he can to support the success of Parelli students, Parelli Professionals and the dedicated people who work to bring them together. The Ambassador Program will establish the network of communication we need to most effectively coordinate the efforts of our students and instructors. We recognize that many dedicated Parelli students have already invested a great deal of time and effort into advocating Pat's message, and we are committed to working with them to improve upon the current system without discounting or discouraging anyone's effort. Pat has been working personally on the curriculum for the Ambassador training, which will be offered free to Gold members and all students enrolled at the US and UK Parelli Centers this year. More details on the Ambassador Program will be available in late February.

Free Mastery Program visit. Pat is excited to invite Gold Savvy Club members to visit one of our two US campuses for a behind-the-scenes look at the Mastery Program. During your visit, you may get to spend time with Pat's Mastery Students, watch Pat teach a lesson or observe some of Parelli's top horses in action. Activities will vary depending on the day you visit, but it will never be boring! Please call at least 24 hours in advance to schedule your Mastery Program visit. Between October and April, please call (352) 591-0749 to visit our Ocala, FL Campus. Between May and September, call (970) 731-6216 to visit our Pagosa Springs, CO Campus.

Monthly "Savvy Up" Audio CDs. You will get closer to Pat through understanding how he developed his core principles, what his mentors meant to him and sharing in his experiences. This is learning at a philosophical level, to help deepen your savvy and enrich your spirit. These audio CDs put you truly closer to the source – Pat Parelli - so you can be soaring with eagles!

Monthly Online Mastery Lessons. Digital videos of Pat teaching his Mastery Students available in the Savvy Club Vault and on DVD.
